

Information Sheet on Syspro Software

Syspro™ is a fully integrated, modular enterprise-wide system. Syspro optimizes the abilities of single and multi-site manufacturers (repetitive, custom, quick-turn and mixed mode) and distributors. It offers outstanding price/performance and balance of functionality. More than 40 application modules cover financial controls, sales, purchasing, inventory control, MRP/production control, forecasting, distribution, Advanced Planning & Scheduling and CRM, enabling manufacturers and distributors to tailor solutions specific to their requirements. Syspro supports Microsoft SQL and runs on Windows® 2000 & 2003, XP, NT and 98, as well as Unix, Linux and Novell.

Syspro, established in 1978, is a world leader in providing manufacturing, distribution and financial accounting software solutions with thousands of installations in more than 50 countries. Syspro is one of the world's most honoured software companies, including:

- Software Council of Southern California "Software Company of the Year" for 2003
- Start Magazine's First Annual Vision Award (2001)
- Start Magazine's Leading Technology Award in 2003 for E.Net Solutions
- Number One Ranking in 2002, 2003, & 2004 Middle Market ERP Software conducted by Accounting Research, Inc.
- Finalist for Developer of the Year (2001, 2002, & 2003) by Software Council of Southern California
- Ranked Among World's Top Software Companies by MSI Magazine, Managing Automation Magazine, Software Magazine, and VAR Business
- Consistently High Ratings in both the Accounting and Manufacturing Software Reviews by CPA Software News for ten consecutive years
- Consistently High Ratings by Logistics Magazine in their top 100 Supply Chain Software Company review
- "Hottest Company" designation by Start Magazine for four years running
- # 1 rating for Mid-Market Accounting and Beginning ERP Markets by K2 Enterprises for 2002, 2003, & 2004 and in the Top 5 for 7 years running
- Certification by the Accounting Library for the past 7 years

Syspro software is marketed worldwide through regional territory distribution centers in the U.S., Canada, Africa, Asia Pacific, Australia and the U.K.

Syspro headquarters for the Americas are located in Costa Mesa, Calif., from which the company markets its supply chain software to the U.S., Mexico, Central America, South America and the Caribbean. <http://www.syspro.com>
